Valley Mind-AI

Option B: Integrated Settings Suite & Creator Identity

Strategic Vision

Unified configuration for the ultimate Creator Experience.

Core Modal Architecture

Tabbed Navigation Hub

The new Settings Suite utilizes a sleek, side-tabbed navigation layout. This centralizes control while keeping the UI clean and minimalist.

- ✓ **Account:** Security and credentials.
- ✓ **Design:** Personalization & themes.
- ✓ **Marcus:** System prompt and AI memory.

| Security Pillars

Credential Sync

Direct "Change Password" interface with real-time validation and hashing.

Recovery Flow

Hashed security questions protecting account access for every user.

Auth Tokens

Secure session management to prevent unauthorized account access.

Visual Personalization

The Identity Engine

Users can define the aesthetic soul of their workspace. From high-contrast Dark/OLED mode to premium light themes.

Dynamic Color Picker

Select custom hex codes for Marcus's UI. Includes a "Reset to Default" button to instantly restore the original brand colors.

| Marcus Intelligence Hub

Configure the Brain

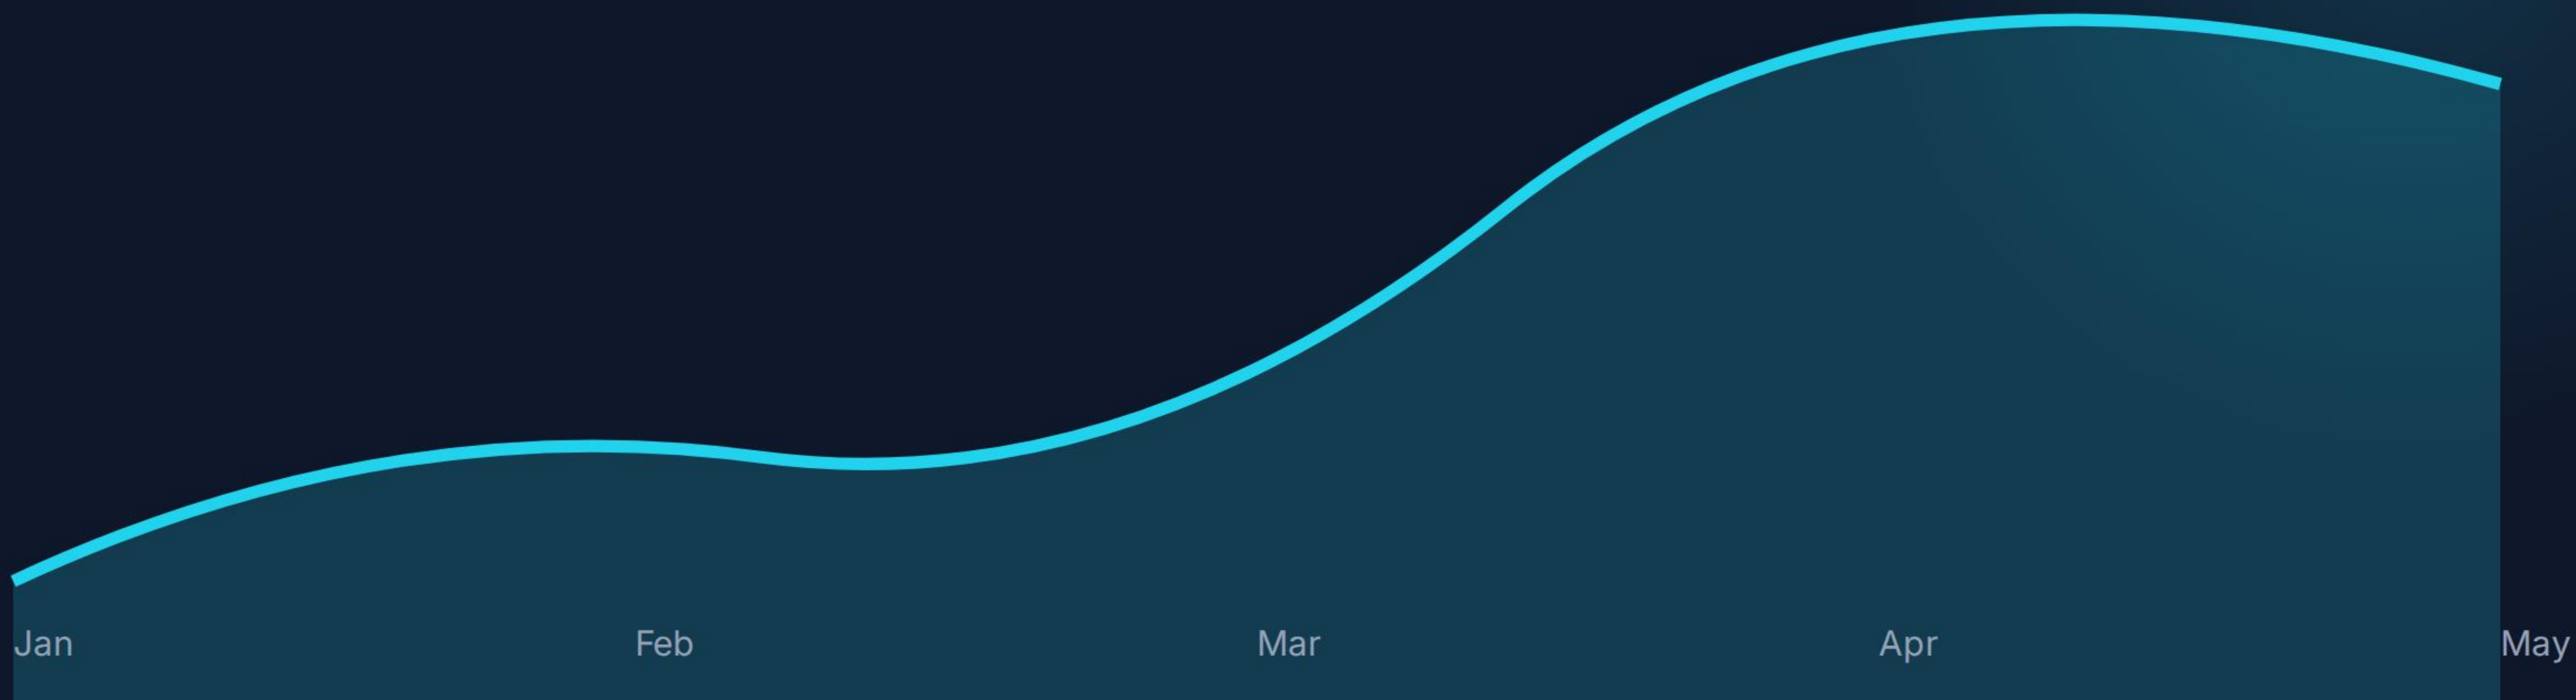

The Intelligence Tab allows users to customize how Marcus perceives the world and remembers information.

System Prompt Tweak: Adjust Marcus's tone, verbosity, and technical specialization.

Deep Memory Wipe: A controlled "Danger Zone" to purge all local and cloud session history.

AI Neural Network

| Preference Adoption Trends

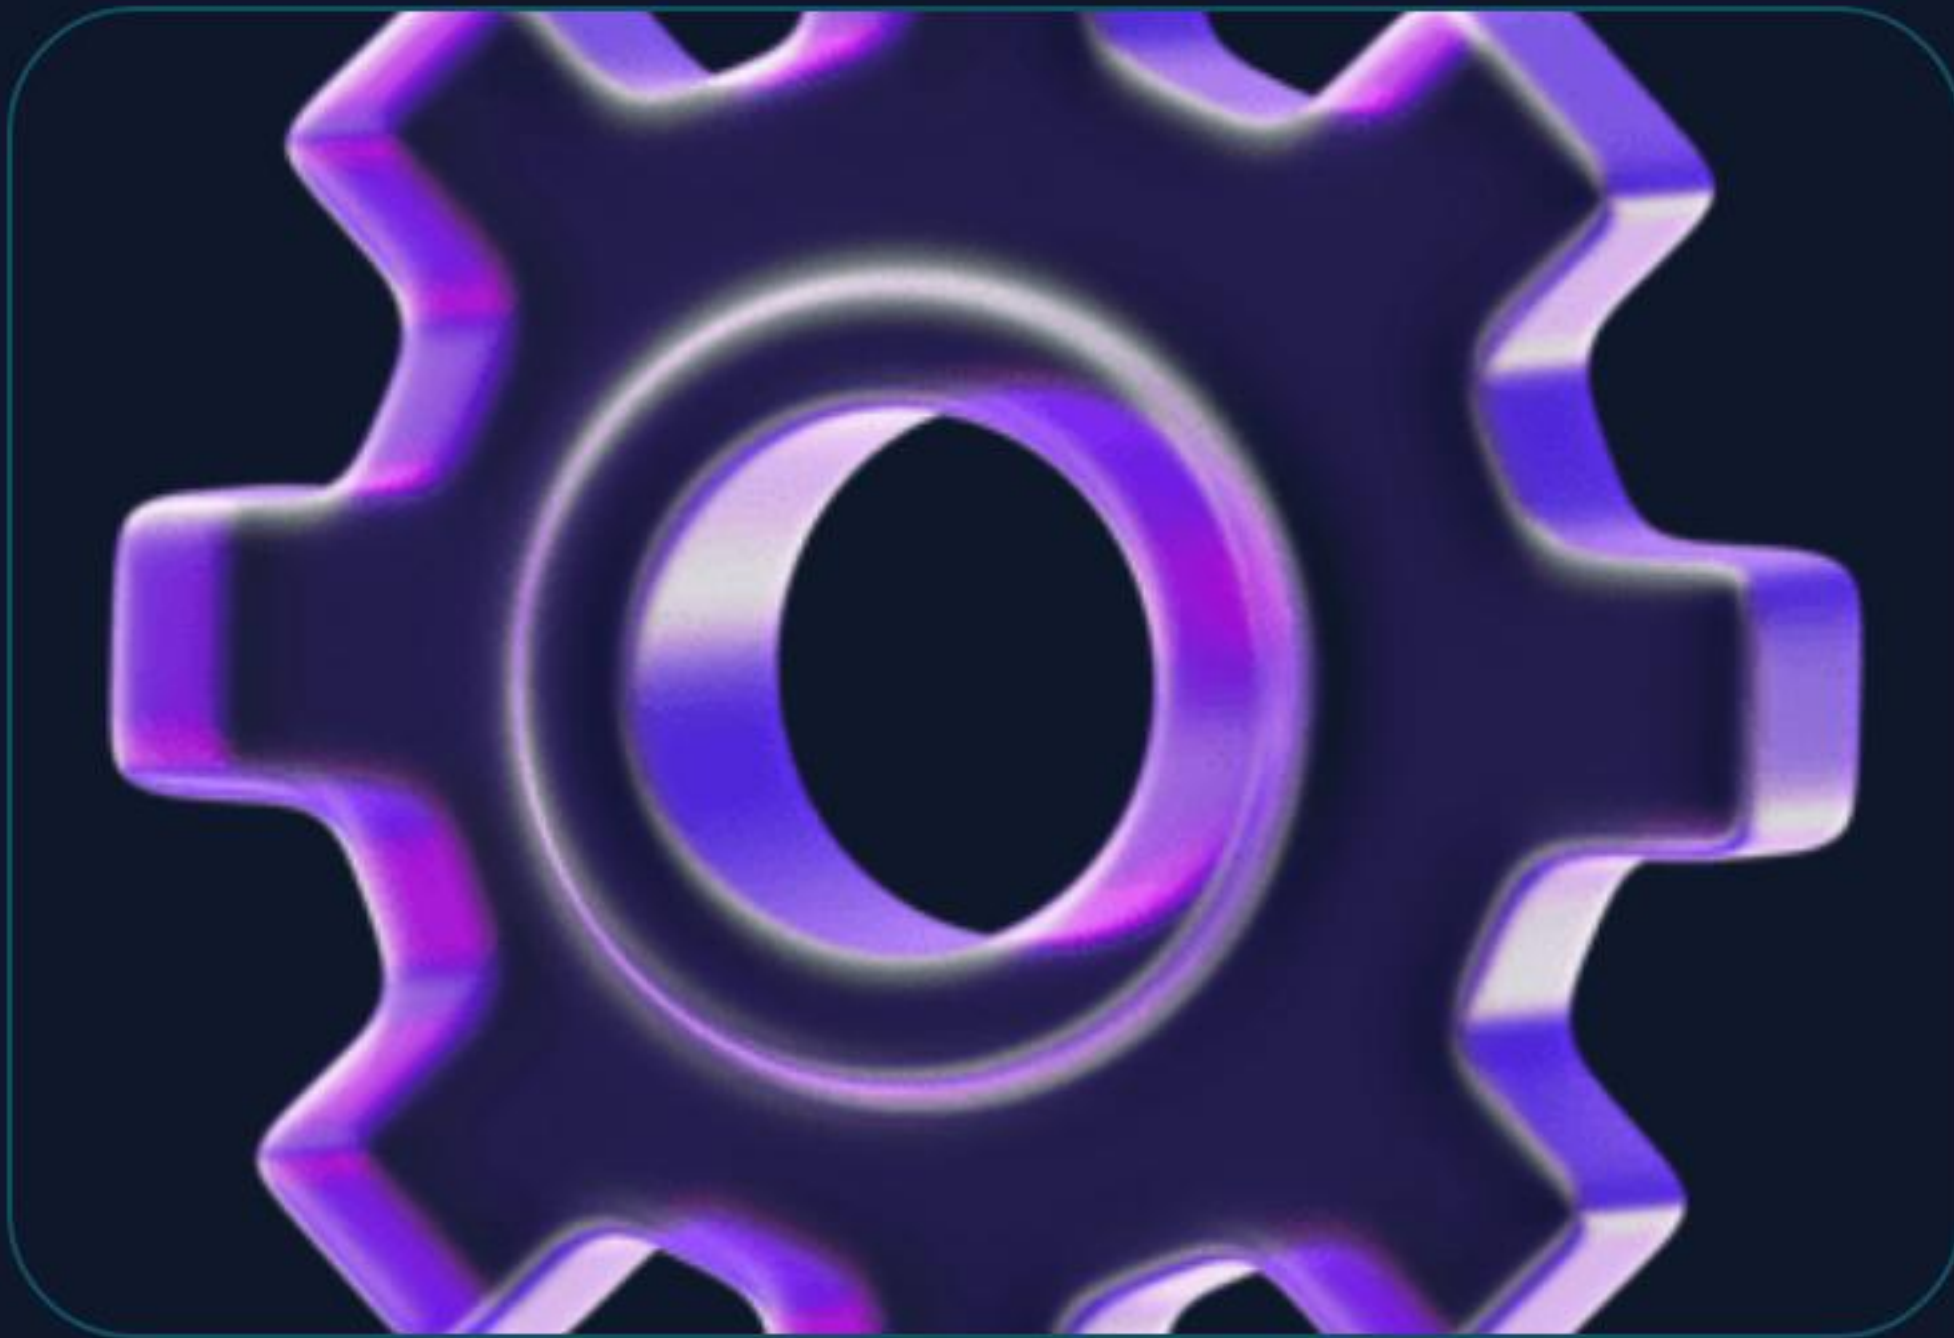

Projected user migration toward custom OLED themes and advanced system prompt tuning for 2026.
